Westerbeke Pacific

Taunton, Massachusetts, USA -- Westerbeke Corporation is pleased to announce the introduction of a new support business and warehouse in Australia for the Pacific region. In cooperation with Marine Energy Systems, Australia, a new support function has been developed for Westerbeke distributors and appointed "Westerbeke Pacific".

The purpose of Westerbeke Pacific is to provide Distributors and OEMs in the area with generators, engines and spare parts with the shortest possible lead time and reasonable landed costs. However, distributors may purchase product directly from the factory, as before, and use Westerbeke Pacific as an additional resource to supply un-forecasted requirements and reduce freight costs. Stock levels of generators, engines and spare parts will be carefully monitored and increased to meet demands.

Westerbeke Pacific will also undertake to visit distributors and improve business cooperation within their general area to include Bangladesh, Brunei, China, Fiji, Hong Kong, India, Indonesia, Japan, Korea, Malaysia, Maldives, New Caledonia, New Zealand, Papa New Guinea, Philippines, Singapore, Sri Lanka, Taiwan, Thailand, and Vietnam.
